IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Application No.: 10/575,806
Confirmation No.: 5530
Filing Date: April 13, 2006
Applicants: Hans David ULMERT et al.
Title: METHOD FOR TREATMENT OF SLUDGE
Attorney Docket: 315-0042/US

April 22, 2010

2nd RENEWED PETITION UNDER 37 CFR 1.137(b)

Sir:

In response to the April 20, 2010 Decision, Applicants renew their petition for revival of the above-identified application based on the following information.

The April 20, 2010 Decision dismisses the February 17, 2010 Renewed Petition. The dismissal is based on petitioner's failure to provide a statement exactly using the language appearing in 37 CFR 1.137(b)(3). To overcome this deficiency, Applicants submit the following statement.

The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional.

Applicants previously submitted (1) the national stage fees and (2) the petition fee under 37 CFR 1.17(m) together with the November 19, 2009 Petition.

Please charge any additional fees or credit any overpayment to Deposit Account No. 50-4446.

Respectfully submitted,

/Herman R. Heflin III/
